

# Plug into Nature

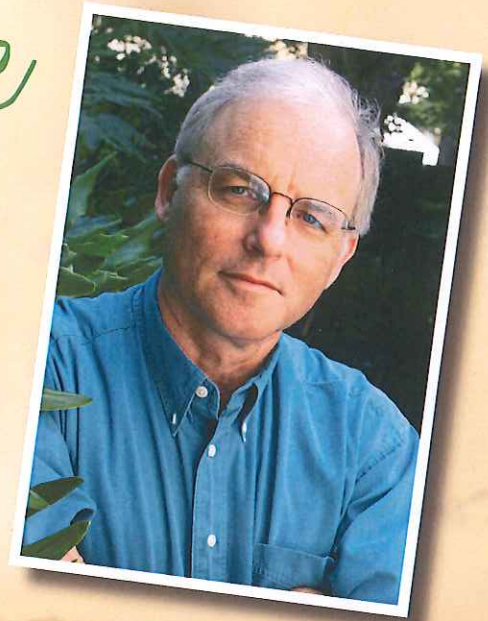

## RICHARD LOUV Children & Nature Network

Best-selling author of *Last Child in the Woods* and *Vitamin N*, Richard Louv will speak about Nature-Deficit Disorder and the importance of reconnecting both children and adults with nature.

The natural world can accelerate learning, inspire creativity, and add meaning and calm to fast-paced lives. Unplug and get outdoors with your children, students, family, and friends and reconnect to nature with ideas from this inspirational natural leader.

**Thursday, May 18, 2017\***  
**7:00 pm, Page Terrace,**  
**Main Campus**  
**Mary Baldwin University**  
**Admission Free**

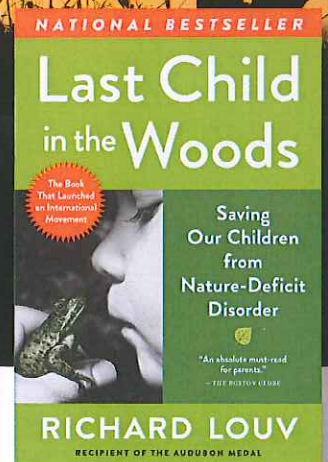

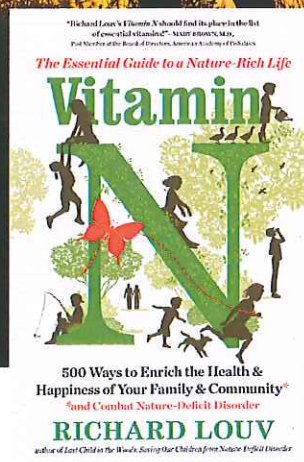

Seating will be on the hillside between Hunt Dining Hall and Grafton Library; a few chairs available or please bring something to sit on (blankets are good for the slope, or lawn chairs for limited level areas). Rain/cold Location: Francis Auditorium at MBU.

For more detailed information including map and parking details, please visit [www.marybaldwin.edu/ebl](http://www.marybaldwin.edu/ebl)

Presented by Mary Baldwin University  
College of Education MEd in Environment-Based Learning  
(K-12 Outdoor Learning for Educators)

\*May 18, 2017 is Global Outdoor Classroom Day
